

## **FEE CRITERIA – Waiting Children Program**

A family must be willing to adopt a child that falls into three of the following criteria in order to receive a home study at the Waiting Children rate of \$100 application fee, \$500 home study fee. If they are not interested in the type of children in these categories, they can have a study completed at the Infant/Toddler rates of \$100 application fee, \$3100 home study fee.

There may be grants and/or scholarships available to cover home study costs. Please ask your worker or call our office at 218/998.3400.

- 1. Children of school age *or older*
- 2. Sibling groups of two or more (at least one school age or older)
- 3. Medically complex children
